

GEOGRAPHY

Although USAO does not offer a degree program in geography, courses in this area are offered for interdisciplinary enrichment purposes and as requirements for professional certification.

COURSE LISTINGS in GEOGRAPHY

- 1103 **PRINCIPLES OF HUMAN GEOGRAPHY**
Study of interactions between social humans and their natural environment, with emphasis on human perception of and impact upon the environment and the corresponding impact of the environment on human culture. 3 hours.
- 2203 **THE NATURE OF GEOGRAPHIC PROBLEMS**
Interdisciplinary approach to geographic concerns: urbanization, population, resources, perception of the environment, and others. 3 hours.
- 3203 **THE SPACESHIP EARTH**
Bio-geography as an approach to conservation, ecology, and survival. 3 hours.
- 4233 **SEMINAR IN GEOGRAPHY**
Student selection of topics and themes for research and discussion; design and emphasis determined by needs, interests, and background of students involved. 3 hours. Prerequisite: GEOG 1103 or equivalent, *or* approval of instructor.
- 4900 **WORKSHOP**
Related topics and problems in geography. 1-3 hours (may be repeated for total of 6 hours with change in title and content).
- 4990 **TUTORIAL**
Independent study in geography under faculty supervision. 1-3 hours (may be repeated for total of 6 hours with change in title and content).
