USAO Parking

On campus parking and traffic is supervised by the Security and Parking Enforcement department. The following rules and regulations pertain to all vehicles on the USAO campus. Additional information regarding parking regulations can also be obtained from the Office of Student Services – 3rd floor of the Student Center. The hours of operation are 8:00 am to 5:00 pm Monday through Friday. If you have any parking related questions and cannot contact the Office of Student Services please call 222-8066 for security assistance.

Parking Policy

All regulatory signs on campus must be obeyed. Violators will be cited under university policies and procedures.

The maximum speed limit on the campus is 15mph. Parking is allowed in marked spaces only. Short-term parking, intended for visitors to the campus, is available on the Oval in front of Troutt Hall, in front of Nash Library, east of the Lawson Court Clubhouse and on the north side of Gary Hall.

USAO Parking Permits are required from the first day of classes each trimester except in visitor or disabled person parking spaces. All vehicles must have a valid USAO parking permit, properly displayed, while parked on campus. These permits are issued through the Office of Student Services, 3rd Floor of the Student Center. Vehicles parked in disabled person spaces must display valid state issued disabled person identification at all times.

Faculty/Staff parking spaces require a valid staff parking permit at all times. Faculty/Staff permits are valid anywhere on campus.

Motorcycles may be parked in any parking space and require a parking permit.

The issue of a parking permit does not guarantee a parking space. The responsibility for finding a legal parking space rests with the operator of the vehicle. Lack of space is not an excuse for illegal parking.

USAO is not responsible for lost or stolen permits. Replacement permits may be purchased in the Office of Student Services. Special permits may be issued by the Office of Student Services and must be displayed on the dash – face up

All vehicles remaining for more than 15 minutes in any loading zone on campus will be cited. Parking or loitering on campus after 11:00 p.m. or after special events is prohibited.

Parking Citation appeal process information is located in the student handbook and in the Office of Student Services.
