CONTINUING STUDENT SCHOLARSHIP APPLICATION

This application is for the fall 2010 and spring 2011 term(s) at USAO. The various USAO Foundation scholarships are merit awards based primarily on scholastic promise and achievement; although character, service and leadership potential are also considered. Generally, scholarships are awarded to full-time students without consideration of need for financial assistance. **Limited funds are available for these competitive scholarships.** Please complete this application and a **Financial Aid Office Application/Update** form and return them to the Financial Aid Office, Troutt Hall 112 by April 1, 2010. You may submit your forms after this date; however, priority will be given to students who pre-enroll for fall 2010 and whose financial aid packages are complete. **Applications received after April 1st will be subject to availability of funds.**
