

# Do you like native wildflowers? So do we!

**Join the Oklahoma Native Plant Society today!**

ONPS will celebrate its 24th anniversary in 2010 and we invite you to come see the state and its floral diversity with us. There is a Chapter near you that offers regular meetings and field trips and there are statewide meetings and workshops throughout the year. Membership includes a subscription to our quarterly newsletter, the *Gaillardia*, notification of related meetings, field trips and workshops, *and* good times with your fellow native plant enthusiasts!

Flowers L to R: Indian blanket with Gaillardia moth (*Gaillardia pulchella*), Longhair phlox (*Phlox longipilosa*) & Showy evening primrose (*Oenothera speciosa*)

See our website: <http://www.usao.edu/~onps/index.html>

*"to encourage the study, protection, use and appreciation of the native plants of Oklahoma"*
